

## **Frank Mockler**

Frank Mockler is Programme Development Manager at ECDL Foundation, the certifying authority of the leading international computer skills certification programme – ECDL / ICDL. In addition to managing the maintenance and development of end-user and IT professional certification programmes, Frank is involved in researching and advocating for the promotion of eSkills as a necessary component of individual and organisational development.

Prior to joining ECDL Foundation in 2005, Frank spent 11 years in the e-learning and electronic publishing industry working in roles relating to quality, instructional design, and content/curriculum development. He holds a Bachelor's degree in Political Science from Trinity College Dublin and a Master's degree in Political Behaviour from the University of Essex.
